Dear Parent/Guardian,

I am writing to you from Bradford Park Avenue's medical department. My name is Natalie Clayton (known as Tally) and I am the lead therapist here at BPA. Due to most of the young men involved in the academy being under 18, I am writing to gain consent for medical treatment to be conducted by both Bradford Park Avenue medical staff and students as well as other medical individuals associated with the club. I also need to gain consent for confidential information to be passed onto the necessary medical individuals in the case of a medical emergency. Post injury the emergency contact will be informed of the injury and your son will be sent home with relevant treatment information when needed.

I..... consent that  
..... can receive treatment  
from medical professionals employed and associated with Bradford Park  
Avenue Football Academy.

Dear Student/Guardians,

Every journey begins with a single step, by showing an interest in becoming a student at Horsfall College of Sport you have made that first step to a possible career in the sports industry.

The college is open to both male and female students who wish to progress in a sporting or academic environment. At Horsfall College of Sport we aim to develop the skills you already possess and offer support for your future career.

We are affiliated with Bradford Park Avenue CFC who currently play in the National League North (6<sup>th</sup> step of the English football pyramid) and are in discussions with various sports clubs in the area to offer a wide range of sporting activities.

The college will use the power of sport to educate, motivate and inspire the local community. We will assist you to develop as an individual and inspire you to become the best you can. You will be assessed throughout your time at the college which will help us to offer the best advice on your progression after leaving the college.

We currently offer two pathways for entrance into the college dependent on your academic abilities. Option 1 is a BTEC Level 3 in Sport, this is a two-year course and has the same value as 3 A-levels. Option 2 is a one-year Level 2 BTEC in Sport with the option to progress to a subsidiary Level 3. On completion of your BTEC we are able to offer progression to a variety of opportunities that include; University courses, career in the sporting industry, employment with Avenue in the Community and a possibility to continue your education and sporting development in America.

So, complete the attached forms and return to your current school or academy, and we will send you a brochure that provides more detail to what you can expect as a student at Horsfall Sports College.

We hope that you choose to start your journey with us at Horsfall College of Sport.

Yours faithfully,

Rob Stanley
