Parents Name and signaturePH:.....

Please send this completed form to: Bradford (Park Avenue) AFC,

Horsfall Stadium, Cemetery Road, Bradford, BD6 2NG or email it to info@bpaafc.com

FAQS

IF I BUY MY TICKET TODAY HOW AND WHEN WILL I GET IT? Your season ticket will be available for collection during the month of July 2019 at any match during our Pre Season campaign. You can also ask for it to be posted to you when purchasing your ticket on an application form or when buying online

HOW DO I CLAIM MY FREE SCARF? Your Scarf will be sent with your ticket if you requested your pack to be sent by post, or it will be contained in your pack when you pick up your season ticket at a pre-season friendly during July

THERE ARE ONLY ADULT AND YOUTH OPTIONS AVAILABLE, BUT I AM A CONCESSION OR STUDENT ? We have rationalised the packages this year and heavily discounted the pricing. The £100 price for the adult package still reflects a 10% discount on concession pricing from last season our OAP and other concession supporters are still being recognised with a discounted and reasonable price point. We have increased the Youth age to 17 in order to give students an extra year of age qualification at the £25 price point

HOW DO I CLAIM MY FREE HOT BEVERAGE AT EACH HOME MATCH? There will be a designated Coffee, Tea, Hot Chocolate service area set up for Members only where you will be able to claim your beverage. Your exclusive members scarf will be required to be worn in order to claim your drink, we want to see the colours!

WHY IS THERE A 7% BOOKING FEE WHEN I BUY ONLINE? We wanted to provide online sales this season as we have had many requests for this service. The online platform we use passes on the cost for this which is 7 % per purchase. The online option is easy to use and convenient and accepts all usual card payment options, however if you would prefer to not pay the 7% booking fee, you can avoid this by sending in an application form and making a direct bank transfer to the clubs account which is listed on the form. You may also pay with cheque, cash, or you may pay with card at the club during the pre-season friendlies directly.

WHAT GAMES DOES MY SEASON TICKET GET ME INTO? Your season ticket gets you entry to all League matches. Cup Matches and Pre-season friendlies are split gates between participating clubs and do not allow entry for Season ticket Holders

DOES MY SEASON TICKET INCLUDE PARKING ? Due to the limited parking around Horsfall and our obligation to our neighbours, cemetery visitors, park users and junior football clubs , we must try and keep Cemetery road as clear as possible on match days which will see parking spaces become a premium on busy days. We therefore cannot include Parking in Season Tickets any longer, however you can purchase a parking upgrade for just £30 for the entire season and your card will be marked with PARKING on it to gain you access. Casual Parking on a match by match basis will be £3

WHY IS THE COLOUR SCHEME RED, AMBER, BLACK WHEN WE'VE BEEN GREEN AND WHITE PREVIOUSLY? Bradford (Park Avenue) colours have alternated over the years historically between Red, Amber, Black and Green and White. The new seasons Kits will be launched during Pre-Season and both Green and White, and Red, Amber, Black will feature on the kits you can choose from so you can select your favourite combination from Bradford's famous history

A YOUTH TICKET IS ONLY £1 PER GAME SO IT IS £4 CHEAPER OVER THE YEAR TO JUST COME AND PAY ON THE GATE EACH GAME THAN IF I BUY A SEASON TICKET , WHY? Yes that is true for those paying for a YOUTH season ticket alone, however if you buy as a Family that is not the case (you only pay £20 for the first YOUTH ticket in the family pass, and £15 for each additional YOUTH). If you do pay £25 for a YOUTH season ticket on its own you also get an exclusive members scarf included, a big discount on a new kit , and a free hot drink at every home match which you will not receive if you pay £21 over the course of the season at the gate.

THERE IS A CONCESSION PRICE FOR THOSE WHO PAY ON THE GATE BUT NOT A CONCESSION PRICE SEASON TICKET, WHY? By paying £100 for a season ticket, concessions are still receiving a discounted season

ticket compared to last season and a £68 discount compared to what they would pay if they paid at the gate at the concession price. We still offer a concession price at the gate for casual visitors and away supporters.

THERE IS NOT STUDENT OFFER ON THE GATE PRICES, WHY? Students with valid ID will be charged the concession price at the gate.
